"Let's get started: A guide to how we get going..."

Step 1—Our First Chat

Basic introduction: Often an unscheduled call in reply to your contact for a “suitability review” or to schedule a conference or meeting.

Typically there is a quick sharing of company information and we will give you material and resources (online) to understand what YourBrandArtSite.com can do for you. Our first chat will help you decide if you would like to proceed to step # 2 where a more in-depth discovery is undertaken. This chat usually lasts 10 -20 minutes

Step 2 — How we can help

How we can help? After our initial chat we will schedule a meeting during which your business growth needs are assessed. We will present a YourBrandArtSite.com presentation in order to fully explain how YourBrandArtSite.com can help you. This will be followed by some questions in order to learn more about your business needs. Our goal is to learn about your company’s culture, environment, tools, resources and decision makers. We will also have available on the call our marketing partner IMMIG to assess your branding and marketing needs. We want to hear about your concerns, your goals and be sure that the YourBrandArtSite.com program will be a good fit. This consultation usually lasts between 1 and 2 hours.

Step 3—Details presented

During the next 2-5 days, we will create your YourBrandArtSite.com proposal while our marketing partner IMMIG continues to assess and discuss your branding and marketing needs with you. We will then schedule a meeting with you to present your proposal and answer any questions you might have. Our goal is to show you how YourBrandArtSite.com can increase your revenue.

YourBrandArtSite.com proposal will include:

- ***** Jay and Stacy add what will be included in the YBAS proposal?**

If you require time to digest your material and all that you have learned, we can schedule another consultation. Most often these calls are simple, quick discussions where we discuss the details of your plan and the proposal.

This step 3 consultation usually lasts between take 1 - 2 hours. YourBrandArtSite.com will be ready to begin work as soon as you are ready!
